

Essence of Vali Massage & Bath Oils

The Wit introduces Essence of Vali's Award Winning Formulas for a special aromatherapy massage or bath. The synergistic formulas are carefully blended combinations of plant essences and 100% pure golden Jojoba. Jojoba absorbs easily into the skin because it contains an organic ingredient similar to our skin's restorative fluid.

Beautify your skin with Jojoba & soothe your soul with plant essences!

Calm

Has life become too stressful with much too much for you to juggle and maintain a semblance of sanity?

To take the edge off the stress of everyday life – indulge in the naturally soothing essences of lavender flowers, orange peel & ylang/ylang petals.

Refresh

Are there days when you just seem to drag around with no get up and go – no zip in your stride?

Get reactivated with refreshing zesty essences of lemon, orange & grapefruit.

Relief (not recommended for pregnant women)

How about those sore muscles from too much working out at the gym or the knots in your neck & shoulders or any old pain that you experience anywhere in your body?

Ahh...experience immediate relief with the analgesic properties of lavender flowers, peppermint leaves & birch bark.

Sleep

Are you filled with anxiety as you take on more than is humanly possible each day? Is your "to do" list keeping you up at night?

To take the edge off the stress of everyday life – indulge in the naturally soothing essences of lavender flowers, cedar wood, marjoram leaves & ylang/ylang petals.

Detox

The perfect jet lag formula for easing the transition from plane to land or any time when you are off your normal schedule.

Rejuvenate and renew yourself with the detoxifying properties of grapefruit & lemon peel, cypress leaves & juniper berries.
